

Statement of Understanding

Please read the following statements carefully. In order to be considered for admission to Lee College, you must agree to these requirements.

I understand and agree that:

- 1) Lee College does not offer housing and I must make my own housing arrangements.
- 2) I have read and understood the international admissions requirements for Lee College, and I understand that I cannot be accepted for admission until all required documents have been received.
- 3) Once submitted, my application documents are only valid for one year.
- 4) I understand that immigration requirements restrict me from off-campus employment and require that I complete at least 12 credit hours, with no more than one class taken outside of a traditional classroom environment, in each fall and spring semester for which I am enrolled at Lee College.
- 5) I must arrive at Lee College on or before the date specified on my I-20, but no earlier than 30 days prior to this date.

Additional Requirement Specific to Those Filing a I-539 Change of Status

- 6) I understand that I will be prohibited from enrolling in classes at Lee College until my I-539 Change of Status has been approved. I have been informed of my options and understand that, even if approved, my I-539 request may not be approved in time for the intended starting semester at Lee College, in which case I would not be able to attend for that semester.
