THE LUCILLE RODEN GED SCHOLARSHIP
(established by her daughter-in-law, Ruth Roden)
2013-2014

The purpose of this scholarship is to help Harris County Department of Education students enrolled in a GED class on the eastern side of Harris County pay for student GED Test registration fees at Lee College. Scholarships are awarded on a first-come first-serve basis.

Instructions for Scholarship Applications (please read carefully):

1. In order to be considered for this scholarship, the student must have a goal to attend college.

2. The student must complete Parts I-IV of the application.

3. The student must meet all Harris County Department of Education eligibility criteria for this scholarship and this must be verified by the instructor (Parts V-VI).

4. BOTH THE STUDENT AND THE INSTRUCTOR MUST SIGN THE APPLICATION.

APPLICATION MUST BE SUBMITTED TO AND SIGNED BY HCDE PROGRAM MANAGER AS SOON AS ELIGIBILITY CRITERIA ARE MET AND APPLICATION IS COMPLETED.

P.O. Box 818 • Baytown, TX 77522-0818

Lee College does not discriminate on the basis of gender, disability, race, color, age, religion, national origin or veteran status.

Part V. Harris County Department of Education Criteria (Instructor completes)

Please print:
INSTRUCTOR NAME __________________________
HCDE LOCATION ____________________________
HCDE PROGRAM MANAGER ______________________

Please initial each item that the student has completed and sign below. Student must have completed all of the items in order to be considered for the scholarship. Student must also have completed and signed his/her portion of this application.

1. ______ The student is enrolled in a Harris County Department of Education GED class on the eastern side of Harris County.
2. ______ The student has met the criteria for the Harris County Department of Education GED classes. For example, in 2008 the student must have taken a Baseline Test and a Progress Test, and attended 60 hours or more of classes. If criteria changes in the future, additional GED program criteria of the Harris County Department of Education GED classes in the future must be met, and the criteria eliminated no longer has to be met.
3. ______ The student has made the score necessary on the Mathematics section of the GED Official Practice Test (OPT) to be eligible to take the Mathematics section of the GED OPT. For example, in 2008 a score of 450 or higher on the Mathematics section of the PRACTICE GED OPT taken in the Harris County Department of Education classroom is necessary to take the Mathematics section of the GED OPT.

Student score on Mathematics section: ____________.

Part VI. Instructor Certification (Instructor reads and signs)

I certify that all information on this page is correct. Lee College has my permission to release this information to the donor of this scholarship.
