

Staff Assembly

Purpose:

- To foster and enhance communications between the staff and the college administration by providing a forum for the exchange of Staff ideas and concerns, as well as to represent and advocate those concerns within the college community.
- To promote inclusion of staff on college committees when it is feasible in order to advance the effective contribution of staff expertise toward the completion of college goals for the benefit of the entire college community.
- To encourage and promote professional development, unity, and loyalty within the college, and to strive continually to support the Lee College mission.
- To promote growth, retention, and success of students by providing scholarships and a professional college atmosphere which fosters a positive learning environment.
