Annual Preventative Exam

Houston Methodist Hospital is bringing you a comprehensive Annual Medical Preventative Exam. All services listed are part of this exam and covered by your medical plan with BCBS.

Please note that you are only allowed to have one Preventative Exam per calendar year. If you have already completed your annual exam within the current medical plan year, you may be responsible for a portion of the exam cost.

*Please remember to bring a copy — front and back — of your insurance card and driver’s license on the day of your appointment.

Any information gathered during this physical is confidential under HIPAA. Patient privacy is respected. All participants will receive their results via Houston Methodist’s new health information portal called MyChart. Registration is required.

Signing up for Houston Methodist MyChart is simple and takes just a few minutes. You will use the activation code provided/ emailed to you, or visit houstonmethodist.org/mychart and select "Sign Up Now."
