

A National Model for Student Success

MENTORS Needed!

Become a Mentor today!

In an effort to promote student success, Lee College is continuing to implement the PUENTE Mentoring Program.

The mission of the Puente Program is to increase the number of educationally underserved students who:

- Transfer/enroll in four-year colleges and universities
- Earn college degrees
- Return to their communities as leaders and mentors

- **Introducing** the role of professional networking
- **Encouraging** students to learn and improve
- **Motivating** students to transfer to a four year university
- **Serving** as a role model by committing to 9 hours per semester for 1 school year

A priority of the Puente Program is to expand and enhance educational opportunities and improve the academic attainment of underserved students. By implementing this retention strategy for our undergraduate students we would like your participation in sharing your professional and academic experiences in order to encourage a student to learn and improve within their college career.

Career fields in high demand:

- Allied Health
- Audio Engineering
- Business/ Management
