

# FAQs

## Where are the Open Computer Labs on Campus?

- ATC Open Computer Lab: ATC-208
- Allied Health Learning Resource Center: MHC-E04
- Art and Architecture Computer Lab: MHC-W09
- CIS Labs: ATC-235, 237
- Computer Science Labs: ATC-207, 209
- Library: ATC 1<sup>st</sup> Floor
- Math Lab: BH-113
- Professional Office Technology Labs: ATC-314, 315, 319, 320
- Writing Center: BH-225

## How can I recover/change my own password?

On the myLC campus login page click the logon support link that is located right under the login box. After verification you will receive a temporary password to log in with.

After logging in, you can change your password by clicking on Main Menu and then Change my password. If you are still having issues, call the myLC Help Desk and they will assist you.

## I can't log into the WiFi on Campus!

Don't forget to open up a browser to get to our login page, you won't be able to connect unless you do so! When logging in, make sure you are using your full email address as your username. Alternatively, you can follow the instructions found above the login to use the correct domain in your username.

## My computer is broken; is there somewhere I can take it on campus?

Yes! The Computer Repair Center is managed by the Computer Technology department and can be found at the TV1 building in room 116. Their hours are M-Th 1-4 PM and they can be reached at 281.425.6598.

- Library Printing
- Course Catalog
- Online Chat
- Technology Training including Cyber Security

Be sure to check out our website at [www.lee.edu/logins](http://www.lee.edu/logins) for access to the above resources and more.

## What's In IT for Faculty & Staff

### Better IT Support with Service Now

Service Now is our new and improved system that we are utilizing for more efficient and interactive trouble ticket resolution. Email comments and requests into our system and be kept up to date on your Incidents (previously known as Work Orders) every step of the way.

### Employee Portal: Collaboration at its Finest

Utilize the newly updated Employee Portal for file sharing, department collaboration, and for staying connected. Learn more about the endless possibilities of productivity with SharePoint by contacting the myLC Help Desk.

### Training Sessions

Have you been wanting to get a bit more knowledge on Microsoft Office? What about tips and tricks of using our various software like PeopleSoft? Our Monthly training sessions will be of great use to those who want to be more proficient with our software and equipment. Training will be offered for:

- Microsoft Office
- A/V Equipment (Projectors, Smart Boards, etc.)
- PeopleSoft/Oracle
- Cyber Security Training
- Other software as needed

### Blackboard Learn

Blackboard is the one stop shop for online classroom materials. Post your syllabus, create assignments, create online tests and more all in one place. For more information, contact the myLC Help Desk.

### Other Services

- Login and Network Support
- Outlook and Email Support
- Computer Setup and Support
- Software Installation and Support
- Telephone Setup and Support
- MS Office Home Use Program for full-time faculty and staff (found at [www.office.com/getoffice365](http://www.office.com/getoffice365))

## Additional Information

### Technology Security Reminders

Don't forget: Never share your myLC campus username or password. We will never ask for or send your credentials via email; if you receive a request of this sort it is likely a phishing attempt.

### Emergency Systems

#### Red Emergency Phones

Red emergency phones are located in all buildings on campus and will connect you directly with Security.

#### Blue Light Emergency Phones

To make an emergency call in parking lots, press the "red button" and you will be connected to security officers in a snap.

#### Digital Signage Network

Our electronic signs give students up to date information.

#### Emergency Broadcast System

This system is one of several redundant warning systems designed to broadcast information in case of an emergency

#### Emergency Alerts

Get notified of school closures, power outages, registration notices, and other vital information straight to your phone via text or via email. Visit [www.lee.edu/alerts](http://www.lee.edu/alerts) to sign up!

#### Access Control and Surveillance

Security Officers handle securing the admission to and use of campus buildings through security systems, such as video surveillance and access control.

### Acceptable Use Policy

Please go over our acceptable use policy, it can be found at:

<http://www.lee.edu/it/acceptable-use-policy/>
