General Studies: Social Studies Concentration
Transfer in Allied Health

Time Commitment

General Studies: Social Studies Concentration, students will attend class on Friday evenings from 6pm to 9pm and Saturday from 8am to 4pm (with a lunch break). Most classes are 2 to 4 hours long. This degree plan is made up of five semesters. You start in January of the Spring semester. Take classes in the Summer semester, Fall semester and Spring again. After the second summer semester, you will graduate. In twenty months, you will be Core Complete and have your Associates Degree ready to transfer to a four-year institution.

Cost

The General Studies: Social Studies Concentration in-degree is 60 credits in total. The approximate cost for an in-district student for the entire degree from start to finish is approximately $5,000. Lee College has several avenues to assist students with tuition, books and fees. With the support of the College Completion Coach, you can apply for federal financial aid, grants and scholarships.

Career Future

An Associates Degree in General Studies: Social Studies Concentration will prepare you for your Bachelor’s degree and a future in helping professions such as: Advisor, Social Worker, Probation Officer, and many more. General Studies: Social Science degree is a powerful academic foundation that provides you with the opportunity to develop skills employers’ value in employees. These skills include: oral and written communication, teamwork, critical thinking and problem solving skills. An Associates Degree from Lee is not merely a stepping-stone, it prepares you for the future – academically and professionally.
