

Equipment & Alterations to Building/Grounds Checklist

Instructions/Purpose: Department should complete and forward this form to Physical Plant Director when:

- The equipment to be purchased requires utilities or space modifications
- If any structure or supplies purchased will be used to alter or construct a building (including sheds)
- A hole will be dug or a material change to the landscape.

Additional information on the use of this form is available online.

Complete and forward to: *Physical Plant Director, 501 S. Pruett St., Baytown, Fax: 281.425.6833*

Upon review, the Physical Plant will either return the "approved" checklist to the requesting department or contact the department to schedule a meeting. The requesting department forwards the approved checklist with the requisition to the Purchasing department servicing their campus.
