Lee College McNair Center at I-10

Lee College, in partnership with Harris County, opened the new Center on Interstate 10 in fall 2008, beginning with a cosmetology program that offers a certificate of completion in cosmetology and a certificate in nail design. The certificate in cosmetology is necessary for students to be able to pass the state licensing examination.

For information about the cosmetology program, call Angela Noack at 281-425-6273 or anoack@lee.edu. For questions about the I-10 Center and the programs planned there, call the Lee College Recruiting Office at 281-425-6260.
