Course Combinations to Enhance Your Learning Experience

Linked Classes

READ 302.M03 & PSYC 2301.M04 / READ 302.M08 & GOVT 2301.M06

Both of these reading classes will use the content area textbook it is linked to for instruction and skill development in reading. The reading student will have a unique opportunity to acquire transferable credit from the content course while improving their reading skills in the reading class.

Fast Paced Classes

All MATH 310 classes are being offered fast paced so students in this level can complete this class the first eight weeks of the semester and then complete MATH 315 the second eight weeks of the semester, completing two math levels in one semester. See page 42 for the specific listings.

MATH 315.M40 is being offered fast paced so students in this level can complete this class the first eight weeks of the semester and then complete MATH 320.M50 during the second eight weeks of the semester, ultimately completing two math levels in one semester. See page 42 for the specific listings.

Psyc 2301.HY01 (Class # 6461) is being offered fast paced the first eight weeks, and Psyc 2314.HY01 (Class # 6461) will be offered during the second eight weeks.

Two COSS classes are offered in the first eight weeks of the semester, when the students most need the information. See page 27 for the specific listings.
