## Associate of Applied Science in Nursing Program - Tech Prep

The purpose of the Associate Degree Nursing Tech Prep Program is to prepare students with beginning competencies to practice as registered nurses upon successful writing of the National Council Licensure Examination for Registered Nurses. The program is accredited by the Board of Nurse Examiners for the state of Texas and the National League for Nursing Accredited Commission. Information regarding the program can be obtained from the NLNAC at 61 Broadway, New York, New York 10006, (212) 363-5555, extension 153.

It is recommended that the applicant complete some or all of the general education courses in the curriculum prior to entry into the program.

Job opportunities include hospitals, clinics, home health care facilities, long-term care facilities, industry, and specialty health care hospital units. The registered nurse works within the scope of nursing as defined by the Nursing Practice Act in the state of Texas.

## Associate Degree Nursing (ADN) Program Admission Requirements—AD2

Applications are taken year-round. Students are strongly encouraged to turn in applications by February 1, and no applications will be taken after May 1 for consideration of the same year admission. **No applications will be accepted without documentation of the state required immunizations. (Contact the Allied Health Office or the Counseling Center for an application packet).**

Students are required to make application to Lee College before applying to the nursing program. Students are responsible for furnishing official transcript(s) to the Admission and Records Office. The student is required to request transcript evaluation of transfer courses. Students who have foreign transcripts should plan extended time for transcript evaluation.

The ADN Admission Committee informs applicants of admission status. There are more applicants than slots in the program. **Meeting minimum requirements does not guarantee admission.** Students selected may enter the program provided admission requirements are satisfied.

- No grade of "D" or below in degree plan courses
- Prerequisite courses GPA of 2.5 minimum (RNSG 1301, BIOL 2401, ENGL 1301, PSYC 2301)

## **Bachelor of Science Nursing Program**

Lee College does not grant nursing baccalaureate degrees; however, through an arrangement with the University of Texas School of Nursing Galveston, students enroll in the Flexible Option Track (RN to BSN) and core courses for the Master of Science in Nursing degree. Students may utilize the Lee College Testing Center services, the Learning Resource Center, and the Allied Health Learning Resource Center. The BSN courses are on the web.

Students interested in the flex option should contact the Lee College Allied Health Division or the School of Nursing at the University of Texas at Galveston, phone (409) 772-6111 or [www.son.utmb.edu](http://www.son.utmb.edu).

● Students should plan to take this capstone course in their last semester and should speak with their advisor prior to registering for the final semester. **Core curriculum courses are shown in bold type. Field of Study (FOS) courses are underlined. Core and Field of Study courses are shown in bold and underline type.**

◆ Students completing a high school Tech Prep Program may receive credit for indicated courses.
