MUAP

It is easy **to enroll** in an MUAP class on-line. You will use the search function instead of a registration number to select your course.

Go to the Lee College home page, click on myLC Campus and log onto your account. Click on ENROLL on the left. Select the term. Under Find Classes, mark the Class Search circle and then click on SEARCH. Next to Course Subject, type in or select from the pull-down menu MUAP. Then click on SEARCH. Find the MUAP class you want, and click on SELECT CLASS. Click on NEXT. Continue enrolling or click on PROCEED to STEP 2 of 3, and click on FINISH ENROLLING.

Course enrollment may be changed based upon your major and availability of classes.
