The Cosmetology program prepares students in all phases of Cosmetology. The program consists of 1,000 hours of training in theoretical foundations, manipulative skills, business knowledge, professional and ethical practices, and prepares students to take the Texas Department of Licensing and Regulation Cosmetology Operator written and practical examination.

What will I learn?

Upon successful completion of the Cosmetology program, students will be able to:

- Conduct services in a safe environment and take measures to prevent the spread of contagious diseases.
- Define and exhibit the basic art principles and elements related to cosmetology.
- Describe and demonstrate the practical skills required to provide appropriate services to meet the needs for a variety of clients and/or students.
- Explain the Texas Department of Licensing and Regulation Cosmetology laws and rules.
- Achieve the preliminary qualifications and requisites to apply for the licensing examination.
- Model professional life skills and express business principles associated with a professional salon environment.

What can I do with this course of study?

Graduates should qualify to sit for the State Board examination. Upon successfully passing the State Board exam, graduates will be issued a license. Employment is available in beauty salons and related businesses. There are also opportunities to be a business owner, educator, or pursue further education.

AAS: Cosmetology Operator

Foundations: These are the courses students need in order to progress in their career/college pathway, as they either provide a certificate or lay the groundwork for moving to the next set of courses.

Course	Course Title	Counts Toward Certificate
CSME 1505	Fundamentals of Cosmetology	CO1
