This 317 hour program prepares Clinical Medical Assistant students to perform skills in the medical office setting. Clinical medical assistants perform routine clinical tasks to keep the offices of physicians, podiatrists, chiropractors and optometrists running smoothly. It requires 142 classroom hours and 160 hours of a clinical externship. Students perform clinical procedures including administering medications, assisting with minor surgery, performing an electrocardiogram, obtaining laboratory specimens for on-site testing, educating patients and maintaining clinical equipment in an ambulatory care setting. Clinical duties may include taking/record medical histories and vital signs, explaining treatment procedures to patients, preparing patients for examination and assisting the physician during the examination. Additionally, an AHA BLS for Healthcare Providers (8 hrs) and Professionalism in the Workplace (7 hrs) are given within this course. Both are required prior to attending clinical rotations. This program will provide the necessary training and skills required to challenge the National Healthcareer Association (NHA) Certified Clinical Medical Assistant (CCMA) national examination. *Information is subject to change based on industry, facility, or institution requirements. Please note that CPR training must be Basic Life Support through the American Heart Association.

ESTIMATED TUITION
Cost of program is $2,330. Additional costs include an online background check ($40, payable by student), drug screen ($40, payable by student), supplies, and textbooks:

CAREER PATHWAY

High School Diploma or GED → Clinical Medical Assistant → CMA Yearly Salary: $23,830 – $31,420 → Further Opportunities: Ophthalmologist or Optometrists

HB 1508 – Students who have a felony conviction should check with the Program Manager of their program to determine if a licensing exam is required to be employed. Some examples include but are not limited to education, nursing, cosmetology, and technology programs. Legislative changes, specifically, HB 1508 from the 85th Texas legislative session section 53.151 (2017), require notification to applicants and enrollees regarding the consequences of a criminal conviction on eligibility for an occupational license. Students may be ineligible for an occupational license upon completion of a program due to prior convictions.
