

Contact Advisor

Click the plus sign (+) next to your pathway to reveal the Lee College pathway academic advisor and financial aid specialists. Academic advisors can help with exploring pathways, academic programs, and transfer opportunities. Financial aid specialists assist students with financial aid questions. Contact information is provided for each of the professionals, along with a list of the academic programs they cover. If you have questions, contact us at counselor@lee.edu or 281.425.6384.
