What are your academic and career goals?

What career would you like to achieve?

Which academic program/certificate/degree will help you get closer to achieving that career?

Taking into consideration your personal and work obligations, how many classes do you plan to take?

I plan to graduate at the end of the _____ semester 20_____.

Mission Statement of the Academic Advising & Counseling Center:

To empower and engage a culturally diverse community of life-long learners by encouraging the achievement of academic, personal, and career goals.

Academic Advisors and Counselors aim to:

- Provide accurate information on policies and procedures to students.
- Assist students in exploring majors, careers, and options to transfer to a university.
- Connect student to resources and services to support academic success.
- Assist students in developing short-term and long-term goals and a path to graduation.
- Engage in the problem solving process with students when challenges arise.

Academic Advisors and Counselors aim to:

- Check your voice messages and email weekly and consider forwarding your Lee College emails
- Know the name and contact information of your Advisor/Counselor:

Name: _____ Phone: _____ Email: _____ Location: _____

- Inform your Advisor/Counselor of challenges that arise and of any questions you have
- Read and follow policies and procedures in the Lee College catalog www.lee.edu/catalog
