Degree Requirements

Hours required: a minimum of 120 semester hours, 40 of which must be at the 3000/4000 level, and fulfillment of all degree requirements for the Bachelor of Applied Arts and Sciences degree as specified in the "General Requirements" in the Academic Requirements section of the Brazosport College 2025-2026 catalog.

Major Requirements:

- Occupational Specialization**, up to 36 hours.
Comprised of courses related to a specific occupation, field, or subject. The occupational concentration typically consists of field-specific coursework completed for an Associate of Science (A.A.S.) degree at a community college. Active-duty military or veteran students might receive credit for technical or other formal training courses under this component of the degree plan. Students need to provide a DD214 to the B.A.A.S advisor for consultation regarding academic credit to apply toward the degree.
- Professional Development Concentrations**, 36 hours.
Consists of two separate concentrations that serve to enhance the skills acquired by the student through a applied associate's degree or are complimentary themes of interest. Requires completion of 36 hours in two separate concentrations of 18 hours each.
Concentration 1 (Area 1): 18 semester credit hours of Human Resource Development concentration.
Concentration 2 (Area 2): 18 semester credit hours of Organizational Leadership or General Business concentration.
- State of Texas Core Curriculum:** students are required to complete the core curriculum for the bachelor degree. Core courses completed and transferred to the university will be applied to the degree. Any remaining core areas not completed at the time of transfer will need to be completed in consultation with the Brazosport College B.A.A.S advisor.
