

Contact Us: CARES Team Members

[Submit a Concern](#)

The welfare and success of our students is our priority. The CARES Team helps to identify students in — or heading toward — distress. With timely and appropriate support, we can ensure that our students have access to the resources and services they need to thrive.

Please familiarize yourself with the resources available on this site and the process associated with submitting a CARES Team Referral.

The following individuals serve on the CARES Team. The Core CARES Team. (Case managers are marked with an asterisk.)
