Scholarships for Students

Lee College Foundation Scholarships

Scholarships are available through the Lee College Foundation for both tuition and textbooks, and they are awarded annually to help students cover academic expenses. Scholarships are available for all students, regardless of their area of study. In order to qualify, the student must:

- have a cumulative GPA of 2.0 or higher;
- be enrolled in Lee College part time, full time (12 hours or more), or as a dual credit student;
- complete and submit the scholarship application online.

Only one Foundation tuition scholarship will be awarded to any student per academic year. Students may also apply for summer scholarships, which are awarded pending available funds. Full-time students receive a higher award amount than part time students.

Scholarship Application Process

All students will fill out and submit a general application online. Your application will be scored by a review committee on three areas; GPA, financial need, and essay question responses.

NOTE: Notification for scholarship awards will be sent to students VIA EMAIL.
