- 4. Open Forum
  - Andy Miller asked about who makes changes in system that were approved. Those changes will be taken care of at CAAC level.
  - Paul Allen raised issued about Curriculum Maintenance Request entry training. It was suggested that chairs and secretaries are the smartest choice for training to provide two points of contact for each division. Will check with Troy. Poor attendance when training was held during Professional Development week previously. It was also suggested that CAAC delegates attend training as well.
  - Debate team will be moving to Debate Suite – JBH 107 and 108. Actively seeking debate recruits.
