#### 2. Informational Items

##### a. VP: Veronique Tran

There is 1 opportunity to submit all proposed Core Courses for the 2018 – 2019 Catalog. For all the Core items on this agenda, Dr. Tran will work with each individual to make sure that all the necessary paperwork is submitted so that there isn't any issues with the coordinating board.

November is the deadline for Core requests.

##### b. Deans: Onimi Wilcox / Layton Childress

##### c. Registrar: Scott Bennett

##### d. Academic Integrity Task Force: Paul Arrigo

This has been a year long process and now are at the point to start making some policy and procedure changes. The next steps are that Dr. Tran and/or Dr. Suchon will bring it to the Cabinet and Campus for review, then on to TASB for review and finally to the Board Policy Committee for the Board Policy changes. The handouts include 1) Academic Honest Code Procedure – The wording has been made easier to understand, add technology into the mix, created a link to the online Academic Dishonesty Form; 2) Discipline and Penalties – Instead of an "F" on an assignment it has to be a "0". In the catalog it says a "0" and in the policy it says "F". This needs to be corrected to be consistent; 3) Flow chart for the Appeals Process for Students – Proposed Academic Integrity Implementation Plan by the AI Task Force; and 4) Lee College Student Academic Honesty Contract.
