Student Government Association

Student Participation in Decision-Making at Lee College

Mission

To promote student activities and student presence on campus, and to act as the student voice, mediating between students and campus administration.

About

The Student Government was established to serve as the official voice of the student body at Lee College. At Lee College, students are encouraged to participate in decision making, both in college governance and in student organizations. The college recognizes the Student Congress as the principal voice of the student body in matters related to college policy.

Meetings are open, and students are encouraged to attend.
