Manufacturing & Industrial Pathway

Your Path to Success Starts Here

(High School Endorsement Area: Business & Industry)

Manufacturing & Industrial Pathway

High School Endorsement Area: Business & Industry)

- Analytical Instrumentation Technology (ATI2, AAS)
- Computer Aided Drafting & Design (DT2, AAS)
- Electrical Technology (IE2, AAS)
- Industrial Systems Technician (IS2, AAS)
- Industrial Welding Technology (WE2, AAS)
- Instrumentation Technology (IR2, AAS)
- Manufacturing Engineering Technology (MAET2, AAS)
- Pipefitting Technology (PF2, AAS)
- Process Technology (PT2, AAS)
- Safety Management Technology (SM2, AAS)

Contact Advisor/Counselor

Marylou Ortuvia (mortuvia@lee.edu, 281.425.6524)
Sylvia Guerra (sguerra@lee.edu, 281.425.6388) Financial Aid Specialist

- Manufacturing Engineering Technology (MAET2, AAS)
- Process Technology (PT2, AAS)
- Process Technology (PT1)
- Safety Management Technology (SM2, AAS)
- Safety Management Technology (SM1)

Domingo Estrada (destrada@lee.edu, 281.425.6559)
Sylvia Guerra (sguerra@lee.edu, 281.425.6388) Financial Aid Specialist

- Instrumentation Technology (IR2, AAS) Industrial Instrumentation (IF1)
- Instrumentation Technology (IR1)
- Analytical Technology (ATI2, AAS)
- Analytical Instrumentation (ATI1)
- Electrical Technology (IE2, AAS)
- Electrical Construction (EC1)
• Electrical Technology (IE1)
• Electrical, Instrumentation, & Analytical II (EIA1)
• Wiring Installation (EWI1)

Karen Ascencio (kascencio@lee.edu, 281.425.6579; Office: McNair Campus, P111)
Sylvia Guerra (sguerra@lee.edu, 281.425.6388) Financial Aid Specialist

• Industrial Welding Technology (WE2, AAS)
• Welding Inspection Technology (WI1)
• Welding Technology (WE1)
• Industrial Systems Technician (IS2, AAS)
• Industrial Systems – Machinist (MC1)
• Industrial Systems – Millwright (MW1)
• Pipefitting Technology (PF2, AAS)
• Pipefitting Technology (PF1)
• Pipefitter Helper (PH1)

Zane Moseley (smoseley@lee.edu, 832.556.4307)
Monica Bowie (mbowie@lee.edu, 281.425.6390) Financial Aid Specialist

• Architectural Construction and Building Technology (CMT1)
• Computer-Aided Drafting & Design (DT2, AAS)
• Computer-Aided Drafting & Design Advanced Technology (DS1)
• Computer-Aided Drafting & Design (TP1)
• Mechanical Technology (MET1)
• Process Piping Design (PPD2, AAS)
• Process Instrumentation & Electrical Design (PIED1)
• Process Piping Design (PPD1)
