Library News

- **The library building has resumed normal operations. We are now open for study rooms, checking out books, umbrellas, laptops and all library services.**

Here are some of our services:

Checking out library materials:

- # Includes books, DVDs, etc.
- # The library is now open to all visitors.

Help with reference, research, and general questions:

- # Service will is provided in person or remotely. Contact us through email, chat, text, phone or in person.

Articles, books, videos, etc.:

- # All online library materials are available to all students and employees of Lee College through any computer with Internet access.
- # Off-campus, users will use their Lee College ID and password to access online library resources.
- # You can also visit the library to browse our materials and check out items.

Study Rooms and Computers:

- # Library study rooms and computers are now available for use.
- # Group study space is available by reservation in the ATC or at the library. See here for [additional details about group study spaces](#).
- # Lee College students may now use the library computers. Social distancing is advised.

Laptop Check-Outs:

- # All laptop check-outs are through the [Lee Cares](#) program. For more information, please see the [Resources for Students](#) guide.
