## Lee College Generic Entry Associate’s Degree in Nursing (ADN) Program

**Associate of Applied Science (AAS) Degree for AD2**

### Steps

**GOAL:** To become a Registered Nurse (RN)

1. Apply to Lee College: [www.lee.edu/apply-now](http://www.lee.edu/apply-now). Select “Transfer in Allied Health” as your major. The application takes 24-72 hours to process.

2. Submit your official transcripts from your high school or GED and from all colleges/universities you have attended. If you are an international student or if you have foreign transcripts, contact the Admissions Office.

3. Contact the pre-nursing advisor for advising—call 281-425-6834.

4. Complete requirements to apply (see below). Apply to program for fall entry during application period: Spring entry: January 15th-March 15th

   *Application dates and entry semesters subject to change*

   **Nursing Application**—[www.lee.edu/nursing](http://www.lee.edu/nursing) Bring or mail in signed and completed application before the deadline listed.

5. After applying, wait for a phone call from the Lee College Nursing department for an invitation to complete mandatory entrance testing—HESI-A2 and Mobility.

   ***Applicants with missing documents or requirements, including transcripts, will not be considered for admission***

6. All applicants complete these courses to be a competitive applicant although they are not prerequisites, it is highly recommended that applicants complete these courses to be a competitive applicant and to avoid taking them while in the program.

   **Applicants with more than 1 exit event (W, D or F in most NURS, RNSG or other RN level courses) are not eligible for acceptance into the program. Exit events expire after 5 years. Please consult with nursing advisor to interpret exit events if necessary.**

   To view the term in which they must be completed, please view the catalog: [www.lee.edu/degrees-certificates/](http://www.lee.edu/degrees-certificates/)

   Applicants with more than 1 exit event (W, D or F in most NURS, RNSG or other RN level courses) are not eligible for acceptance into the program. Exit events expire after 5 years. Please consult with nursing advisor to interpret exit events if necessary.

### Prerequisite Courses:

1. **ENGL 1301** English Composition I
2. **PSYC 2301** Introduction to Psychology
3. **BIOL 2401** Human Anatomy and Physiology I
4. **RNSG 1301** Pharmacology

*RNSG 1301 must be completed with a C or higher after no more than 3 attempts within 5 years. RNSG 1301 attempts do not count after 5 years.

The courses below are also a part of the degree requirements. Although they are not prerequisites, it is highly recommended that applicants complete these courses to be a competitive applicant and to avoid taking them while in the program.

5. **BIOL 2402** Human Anatomy & Physiology II
6. **BIOL 2421** Microbiology
7. **PSYC 2314** Life Span Growth and Development
8. **ENGL 1302** English Composition II
9. **One Core Curriculum Course in either: Creative Arts OR Language, Philosophy or Culture**
   
   List of approved Core Curriculum courses:
   
   [www.lee.edu/learning/core-curriculum](http://www.lee.edu/learning/core-curriculum)

Credit for BIOL, ENGL, PSYC, and the class under Core Creative Arts/Core Language Philosophy Culture do not expire. There is no time limit for these. They can be used for admission purposes no matter their date of completion.

### Course Requirements
