Online Reporting

To assist students, Lee College has designated employees and resources to help maintain its professional standards across campus and to provide appropriate responses to our students’ needs, complaints, or concerns. By selecting a category below, you can submit a report to help address those needs or to initiate the process.

**The CARES Team**

The Lee College CARES Team (formerly the Behavioral Intervention Team) is committed to the well-being of all members of the campus community. It has been developed to provide guidance for students, staff members, and faculty members, regarding how to seek assistance and report students of concern. By completing this online form, a referral is submitted so that support can be provided. More information can be found at [www.lee.edu/cares-team/](http://www.lee.edu/cares-team/) or by contacting Rosemary Coffman at rcoffman@lee.edu.

**Title IX – Sexual Misconduct**

We will continue to offer support to anyone reporting any type of sexual misconduct that violates our Title IX policy. With new state rules, all reports of sexual misconduct that is brought to your attention, must be reported to the College. In addition to notifying one of the Title IX Coordinators. This link can be given to students or employees to report an incident. For more information, you can contact one of the two coordinators — Rosemary Coffman for student issues ([rcoffman@lee.edu](mailto:rcoffman@lee.edu)) or Amanda Summers for employee issues ([asummers@lee.edu](mailto:asummers@lee.edu)).

Box 12788, Austin, Texas 78711-2788.

Once the Agency receives a student complaint form, the Agency may refer the complaint to another agency or entity.

If a student complaint form concerns compliance with the statutes and regulations that the Agency administers and the Agency has not referred the complaint to another entity, the Agency will initiate an investigation.

During the investigation of a student complaint, Agency staff shall, in appropriate cases, attempt to facilitate an informal resolution to the complaint that is mutually satisfactory to the complainant and institution.

In cases in which an informal resolution between the complainant and institution is not feasible, Agency staff shall evaluate the results of the investigation of the student complaint and recommend a course of action to the Commissioner.

After receiving the Agency staff’s recommendation, the Commissioner shall consider the recommendation regarding the complaint and render a written determination thereon.
