HELLO!
LEE COLLEGE IS HERE FOR YOU

It’s never too early to start thinking about college! We want to help you prepare for college or the workforce. Below are 5 steps you can take to jumpstart your planning as a sixth or seventh grader.

**Find your PATHWAY to success!**

1. **GOOD STUDY HABITS START NOW** This will help you be more successful as you go through your junior and high school years and will greatly benefit you in college.
2. **GET INVOLVED** in extra-curricular activities—such as band, choir, athletics, school clubs will help you learn the importance of teamwork and self-discipline which will greatly benefit you in college.
3. **READ READ AND READ** The more reading you do now, the more it’ll sharpen your grammar and writing skills, which will greatly benefit you in high school and college-level English and Writing courses.
4. **POSITIVITY IS A PLUS** Surrounding yourself with positive people is contagious.
5. **PUNCTUALITY IS KEY** Being present every day and turning ALL work in on time will benefit you in high school and college but will help you be successful in your career and beyond.

**6TH GRADE FOCUS POINTS**

**7TH GRADE FOCUS POINTS**

1. **CHALLENGE YOURSELF** Choose Challenging Courses that will prepare you not only for advanced courses in high school, but can help you succeed with college-level courses.
2. **TALK “COLLEGE”** Find out where family members and teachers attended and what it took for them to get where they are now. This will keep you inspired and motivated.
3. **TAKE LEADERSHIP ROLES** Become a leader, whether at school, your church, or your community teaches leadership skills that will open more opportunities in high school and college and your future career.
4. **MAKE GOOD DECISIONS** Make good decisions in everything you do and say. This will benefit you in high school, college, and in life.
5. **WHO ARE YOU?** Discovering your interests now will help you stay focused and motivated in high school and college.
