Welcome To Your Transition Year....
You are almost there! It's okay to be nervous. Here are some tips to prepare you for high school.

UNDERSTANDING ENDORSEMENT & PATHWAYS

ENDORSEMENTS You will select an endorsement in which the courses are focused on your career interests. There are five endorsements: STEM, Business & Industry, Public Service, Arts and Humanities, and Multidisciplinary Studies.

PATHWAYS College programs that follow the endorsement you have selected in high school. Pathways focus on courses geared towards university transfer and/or career interests. (See Lee College pathways)

Find your PATHWAY to success!

COMMITTED TO STUDENT SUCCESS, Lee College's academic programs are structured to provide a clear pathway to help ensure success in the classroom and beyond.

COLLEGE-BOUND

High school provides you with the opportunity to gain college credit starting in 9th grade

• Dual credit- high school student enrolls in one or more college courses and receive credit for the course(s) from both the college and the high school.
• Advanced Placement (AP)- classes that are taught in core subjects. These classes have a test at the end where if you pass, you can earn college credit.
• Honors courses- these are classes with a more challenging curriculum that weighs higher towards high school GPA.

EXTRACURRICULAR ACTIVITIES & SUMMER PLANS

• Be active and have FUN! Join activities that match your interests such as sports, band, debate, music, theatre, or clubs.
• Learning how to juggle multiple responsibilities is important for your growth.
• Volunteer in your community.

LEE COLLEGE FACTS

• Our men's basketball team is ranked #19 in the nation.
• It's rare to have a mock power plant, but we have two!
• Join one of our many clubs and organizations: Anime, Model United Nations, Rotaract, Student Government Association, Table-Top Gaming, Woman in Manufacturing, etc.
• Nationally recognized Debate Team, Puente Mentoring, and Honors Programs
• Our Liberal and Fine Arts Pathway include music, art, theater, and a recording studio.

ABOUT LEE COLLEGE

Lee College offers more than 100 associate degrees and certificate programs, as well as non-credit workforce and community education courses, that prepare its diverse student body for advanced higher education; successful entry into the workforce; and a variety of in-demand careers.
9TH GRADE!

LEE COLLEGE IS HERE FOR YOU

It's your first year of high school and a new environment. The transition may be a little scary, but hopefully, these tips will help you adjust. Make sure you build a solid foundation.

BUILDING YOUR HIGH SCHOOL ACADEMIC PLAN

- Understand what is required of you to graduate high school.
- Is Dual Credit for you? You can save money, time and the courses are transferable to universities in Texas.
- Do your best in class. Seek tutoring, remember you need to take the STARR test and college exams.
- Being respectful and friendly makes life easier and more enjoyable.
- If you are struggling with classwork, ask for help. Your teacher is more likely to work with you.
- Joining a club, activity, or volunteer work looks great on a scholarship/college application.

COLLEGE-BOUND

- Research the colleges you are interested in attending.
- Start understanding financial aid terms and college cost.
- Lee College is local, affordable and you can transfer your core classes.
- Lee College offers workforce programs, technical and academic degrees.

UNDERSTANDING ENDORSEMENT & PATHWAYS

ENDORSEMENTS You will select an endorsement in which the courses are focused on your career interests. There are five endorsements: STEM, Business & Industry, Public Service, Arts and Humanities, and Multidisciplinary Studies.

PATHWAYS College programs that follow the endorsement you have selected in high school. Pathways focus on courses geared towards university transfer and/or career interests. (See Lee College pathways)

CAREER EXPLORATION

Not sure what you want to do? It's okay if you don't. You have time to explore. To learn more about careers please visit the sites below:

SOCIAL MEDIA

- Be careful with what you post; everything you post is open for all to see and it follows you.
- Always create a positive environment and safe space for you. Treat others the way you expect to be treated.
