

Schedule of Fees

Fees are determined based on the estimated average costs to governmental bodies in accordance with Texas Administrative Code Rule §70.3. The expense of obtaining records is contingent upon various factors, including but not limited to:

- The preferred format for the requested document (e.g., paper, CD, DVD).
- Whether the record is archived.
- Whether computer programming is necessary to retrieve the requested data.

For additional details on the costs associated with obtaining records, please refer to the Fee Schedule provided below.
