

Grant Development

The Lee College grants team:

- Helps faculty and staff visualize new projects and programs
- Facilitates the development of competitive proposals
- Helps ensure that projects are realistic and can be managed with current college resources

We help Lee College faculty and staff turn dreams into projects and fundable proposals.

For assistance with faculty and staff projects, contact Laurie Oehler at loehler@lee.edu or 281.425.6339

Department of Ed — FITW

Designed to support the development of solutions to challenges that are presented for students who are at risk for not completing post-secondary programs, including, but not limited to, adult learners, working students, part-time students, students from low-income backgrounds, students of color, students with disabilities, and first-generation students. Lee College used the funding to develop a weekend college program.
