Navigate Your Career

You are invited to attend Lee College's annual Spring Job Fair 2023. This event is open to Lee College students, alumni, and the community.

There will be networking, résumé review, and an opportunity to interview with outstanding students at the Lee College Sports Arena from 2-5 p.m. Thursday, April 6, 2023.

In past years, more than 500 job-seekers attended, seeking employment/internship opportunities ranging from entry-level positions to professional careers.

We encourage students to dress for success and bring several copies of their résumés. Speed networking and interview stations will be available for those selected to be interviewed as a candidate on the spot. We look forward to hosting your business at Lee College 2023 Spring Job Fair.
