Transfer Information

Start with Transfer in Mind!

As educators, we believe in helping students achieve their goals. That means helping all Navigators ensure they know how to research their next steps after Lee College. Let us show you how to make your earned credits work toward your future bachelor's degree and beyond. Let us help you navigate transfer scholarship searches.

Many Navigators start their journey at Lee College with the goal of transferring to a four-year university. Lee college offers a number of options designated to seamlessly transfer to bachelor's degree programs. Explore the Lee College Learning Pathways below.
