What Can I Do With This Major? features 100 major profiles with information on common career paths, types of employers that hire in the field, and strategies to maximize opportunities. This is a great resource to explore majors, connect majors to careers, or discover information about your chosen career field.

## How to Use What Can I Do With This Major?

Browse major industry categories and list of individual majors, then use these steps to narrow your options:

1. **Identify 5+ career paths** that interest you within your major or career.
2. **Consider your ideal workplace**. What types of employers or work settings would you enjoy, such as hospitals, schools, corporations, government agencies, nonprofits, or self-employment?
3. **Choose 3 strategies you can start now**, such as meeting with a faculty member, an academic advisor, a transfer success coach, talking with someone in the field, or joining a student organization
4. **Dig deeper into each career path** by reviewing the related resources, Professional Associations, Occupational Outlook, and Employment Opportunities sections.
