**Wellness Center**

Joining the Lee College Wellness Center is the premier way to exercise your physical fitness options. Join the Wellness Center to select from several enrollment options, plan your own training workout, follow your own individualized fitness and exercise program, and use resistance machines to improve your appearance, strength and endurance.

**Community Education** *(includes Senior Adult & Travel Program)*

Our mission is to provide a variety of programs that educate, entertain, and enrich the diverse interests of our communities. Whether you need to prepare for a career, upgrade current job-related skills, or learn a new skill to enhance the quality of your daily life or just to have fun, Lee College is committed to filling that need.

**Corporate Services**

The Center’s Department of Corporate Services provides workforce development assistance and customized training for corporate clients. The department helps clients achieve organizational growth and stability, create and retain jobs, implement new innovations, and increase competitiveness and profitability.

**Small Business Development Center**

The SBDC provides businesses with one-on-one consulting and information assistance to foster economic growth in the community.

**Risk Management Institute**

Lee College’s Risk Management Institute recognizes that people are priceless. Because of this, safety knowledge should be free. The RMI provides free seminars, workshops, and safety training on worker’s health and safety for employers, employees, and the general public.
