

Risk Management Institute

People are priceless. Safety knowledge is free.

[Register Now](#)The Risk Management Institute is a service of Lee College's Center for Workforce and Community Development, supported by the Texas Mutual Insurance Company.

We recognize that people are priceless. For this reason, safety knowledge should be free. The Risk Management Institute provides FREE seminars, workshops, and safety training on worker's health and safety for employers, employees, and the general public.

Our safety training includes a wide variety of risk management/safety topics. The safety training includes a wide variety of risk management/safety topics — from back safety, ergonomics, and fall protection, to Safety Management, Confined Spaces, HAZCOM, Drug and Alcohol Awareness, and more.

Industry Forum

***** Postponed Indefinitely *****

Houston Methodist and Lee College invite you to an industry forum on the health impacts of flooding and hurricanes, including tools for planning and mitigation. Free to attend and open to the public.
